

Miracles in Motion Registration 2018-2019

Miracles in Motion is a program designed to provide the full dance experience to people with special needs. We provide a complete dance education, along with structured choreography in a dance company setting. The classes cover many styles of dance including jazz, contemporary, ballet, tap, musical theater and creative movement. Every session is re-structured to meet the specific needs of each dancer participating.

Kim Moncrief founded **Miracles in Motion** in 2007 after the birth of her son Logan. Logan was born with Down Syndrome and several heart defects. Kim has over two decades of experience as a dance instructor, a BFA in Dance and Choreography, as well as a BS in Psychology from Virginia Commonwealth University. As a professional dancer, Kim realized that there wouldn't be a place for Logan in the dance world so she created **Miracles in Motion**.

Miracles in Motion is making leaps and bounds in the community with its innovative style and powerful reputation. No matter where they perform, it's hard to find a dry eye in the audience. They have been known to raise the audience to their feet with standing ovations and tears running down their faces.

Miracles in Motion is a force of awe and inspiration for people of all ages.

Studio Rules

Be courteous and follow all rules and regulations in the studio where your MIM class is held along with any performance event we are included in. We want the studios to know how appreciative we are for sharing their studio with Miracles in Motion. Feel free to let the owners know! Our studio is considered a “safe zone”, a place to respect each others differences. Gossip or disrespect of others belongings or opinion/views will not be tolerated and cause for removal from the studio without refund. In-depth, political and religious conversations should be kept out of the studio. If you would like to have in-depth discussions about either with each other, feel free to go somewhere for coffee :) Everyone should feel welcome in MIM. Help us keep it that way. Thank you!
