

Miracles in Motion

Registration 2016-2017

Miracles in Motion is a program designed to provide the full dance experience to people with special needs. We provide a complete dance education, along with structured choreography in a dance company setting. The classes cover many styles of dance including jazz, contemporary, ballet, tap, musical theater and creative movement. Every session is re-structured to meet the specific needs of each dancer participating.

Kim Moncrief founded **Miracles in Motion** in 2007 after the birth of her son Logan. Logan was born with Down Syndrome and several heart defects. Kim has over two decades of experience as a dance instructor, a BFA in Dance and Choreography, as well as a BS in Psychology from Virginia Commonwealth University. As a professional dancer, Kim realized that there wouldn't be a place for Logan in the dance world so she created **Miracles in Motion**.

Miracles in Motion is making leaps and bounds in the community with its innovative style and powerful reputation. No matter where they perform, it's hard to find a dry eye in the audience. They have been known to raise the audience to their feet with standing ovations and tears running down their faces.

Miracles in Motion is a force of awe and inspiration for people of all ages.

Inclement Weather/ Teacher Illness Cancellations

Classes are cancelled when schools are closed due to inclement weather OR teacher illness only. Miracles in Motion will follow weather cancellations based on the county schools location of the class (Please refer to local TV stations). All cancellations will also be emailed and posted on Facebook, Instagram & Twitter. In the event of inclement weather that occurs after school hours, classes may need to be cancelled. Please check your email, social media or contact me prior to going to your class.

Please refer to the list below for closings:

Mechanicsville MIM - Hanover county schools
West End MIM – Henrico county schools

There are 4 'free' dance days built in to our schedule to cover any type of class cancellation throughout the 2016-2017 dance session (you are actually only paying for only 28 weeks of class time). I will discuss make-up classes in the event more than 4 classes have been cancelled throughout the year. In the event that we do not use all 4 'free' cancellations days, MIM reserves the right to cancel the remaining 'free' classes at the very end of the dance season.
